**THE OAK RIDGE
CHAMBER of COMMERCE
IS
GOOD for BUSINESS!**

The mission of the Oak Ridge Chamber of Commerce is to enhance the economic vitality of the greater Oak Ridge area while providing value to our members.

BENEFITS of MEMBERSHIP

A national study reveals that membership in a local chamber of commerce can significantly boost a business's image among consumers and other businesses.

The study of 2000 U.S. adults by The Shapiro Group, an Atlanta-based market research firm, shows that when consumers know that a business is a member of a local chamber, they are 44% more likely to rate it favorably.

The study reveals good news for all chamber members:

Consumers who are told that a business is a chamber member are 51% more likely to be aware of it and 57% more likely to think positively of its local reputation.

Consumers are 63% more likely to buy goods and services from a company that is a member of the local chamber of commerce.

When decision-makers believe that a business is a chamber member, they are 59% more likely to buy goods and services from that business.

When consumers believe that a restaurant is a chamber member, they are 40% more likely to eat at that restaurant.

82% of respondents believe that the local chamber of commerce helps create jobs and promotes local economic development.

If your company is a member, everyone in your organization who contributes to the success of your business also belongs to the Oak Ridge Chamber of Commerce. Encourage staff involvement in Chamber activities, and when the invitation arrives for one of our networking events, bring members of your staff with you so that the whole team benefits from your Chamber investment.
